DOLPHIN CRUISE

Did you know that Maldives ranks among the top five places on Earth for watching dolphins? Spinner Dolphins are the commonest species, and they occur here in their tens of thousands. They have a regular daily routine to their lives, feeding offshore at night, coming into the atolls in the early morning, and leaving again for the open ocean in the late afternoon before sunset. While nothing with wildlife can be absolutely guaranteed, you will never have a better chance to watch dolphins playing in their natural environment than right here in the Maldives.
